Juramantul uitat de Sandra Brown; Martor de Sandra Brown; Saint Lucia (... sometimes translated as "Pilate's Daughter") is a 1977 Western directed by Gus van Sant. The picture was nominated for an Oscar in the Best Foreign Language Film category, but did not receive a statuette due to a failure at the box office. The film is set in post-Civil War Montana. Lucia Carrington, an American Catholic nun, comes to her home state of Montana, where she grew up. Lucia survived the tragic death of her mother. Lucia will have to find out that her own father has been killed, and her only relative living in the town, for whom the local sheriff wants to marry her, is a serial killer. Now Lucia and her sister can only take revenge on this killer - shoot him in the arena of the hippodrome. Unforescen complications force Lucia to invite her chauffeur, a former bounty hunter (Colin Firth), to the company.
